CIRCULAR
Sub: Registration for Fall 2022

To: All New and Returning Students

Kindly note that registration for Fall 2022 is now open!

The Academic Year 2022-2023 for all new and returning students will commence on **Monday, September 12, 2022**, except the MBBS Year 4 & 5 students which will commence on **Monday, September 5, 2022**.

As mandated by the Ministry of Education, all students are required to fulfill the English Language Proficiency requirement before registering for Fall 2022. Please note that students without the English test score will not be allowed to register.

Students are required to clear tuition fee and any other outstanding dues for the purpose of entering the names in the class register as well as gain Moodle access. Students interested to utilize hostel facilities are required to contact the Student Affairs Department.
